Filling in application form

- All application forms should be filled out in capital letters only (apart from the email address). The form should be legible; otherwise, the application process may be prolonged. The form must contain the hand signature of the delegate.
- Each NOC should delegate only 1 person to contact the Rate Card team. The Rate Card team will only approach the person mentioned in the application form.

COMPANY NAME:

MI6

Sending filled application form

- The filled-out application form should be sent to the following email address:
ratecard@ie2023.pl or
nocservices@ie2023.pl

Account creation

- After receiving a correctly filled-out application form, the Rate Card team will proceed to create an account within 5 working days of receiving the application form. Within 5 days, the delegate would receive an email with a confirmation of account, and the email would contain the link necessary to create a password. Right after creating a password, the delegate would be able to login to their account.
